

## Intent to Form a “Dash Squad” Cheer Team

**What is it?** A Dash Squad is a “cheerleading” team of 5 or more people cheering runners along the race course.

**Who?** Anyone can become a member of your Dash Squad...friends, family, teams, Scout groups, cheer squads, etc. An adult must accompany Dash Squads with team members 15 years old and younger. This is a great way to earn community service hours!

**When?** Thanksgiving Day – November 22, 2012 from 7:45 a.m. until approximately 9 a.m. (or until the runners have passed your zone).

**Where?** MTSU’s Dean Hayes Track and Soccer Stadium—your squad will be directed to a location along the race course and will need to be in place by 7:45 a.m.

**Why?** To join in the fun by cheering on the Borodash runners! Dash Squads will compete for prizes including Best Theme, Most Spirit, and Best Overall, so pick a theme, dress up, and have fun!

Our Dash Squad captain, Sarah Woods, will contact you within 10 days of the race with the information you need. If you have any questions, please contact Sarah at woodss@comcast.net. Visit borodash.org to find out more. Thank you for volunteering to cheer on the Borodash participants!

Please complete all information below to establish your Dash Squad team, then detach and mail to:
